

First Aid and CPR Instructor

First Aid & CPR Instructors support the Red Cross First Aid Program through the delivery of our First Aid and CPR courses. Candidates enter our comprehensive Instructor Development Program, designed to prepare them to support dynamic, learner-centered classroom environments.

FIRST AID & CPR INSTRUCTOR DEVELOPMENT PATHWAY

Below is the pathway to become a certified First Aid & CPR Instructor. You must successfully complete each step before advancing to the next step. Certification is valid for three years.

	1 Evaluate Skills and Check Prerequisites	Confirm prerequisites are met: you must be 18 years or older, have a valid participant certificate for the program you wish to teach, and successfully complete a skills evaluation.
	2 Fundamentals Of Instruction	Complete the Fundamentals of Instruction online component (8 hrs*), and a classroom component (14 hrs 30 min) focused on the application of fundamentals.
	3 Discipline-Specific Classroom Component	Attend the First Aid & CPR discipline-specific classroom component (14 hrs 30 min), which focuses on the specific skills of that program.
	4 Teaching Experience	Complete the Teaching Experience online module (30-45 min*) and a classroom component with the support of a Teaching Experience Supervisor.
	5 Certification	An electronic certification will be issued upon completion. Certified Instructors can teach Emergency First Aid, Standard First Aid, Marine Basic First Aid, Emergency Child Care First Aid, Standard Child Care First Aid and CPR courses.

* Online learning time will vary depending on the learner.
